# Who We Are?

ArchBuilders is a general and specialized contracting and supplies. It employs a number of highly qualified and experienced engineers over more than 15 years, during which they have implemented many projects inside and outside the Arab Republic of Egypt by working in major consulting offices and contracting companies.

We would like to emphasize that through our experience in the field of contracting, we have the ability to implement projects on time and within the limits of their contracted cost and required quality and to achieve the satisfaction of our customers from these projects.

It is expected with the permission of God Almighty that the company will achieve record growth rates during the upcoming years. Expansion in this area will be a goal that the company seeks in light of the current growth in the field of projects in the Arab Republic of Egypt.

## ► OUR GOAL

In Arch Builders, we have a strong goal of building long-term partnerships with many of our clients. We are doing our most to meet the needs of our current and future clients. We are also following an organized path through which we seek to expand our activities so that our services can cover our beloved Egypt.

## ► OUR MESSAGE

Our message is inspired by the depth of our Islamic morals, where we follow the footsteps of our Prophet when he said

**"God loves if one of you does a job to be good at it"**

which makes our message to spread the culture of quality in its true sense in the field of contracting in order to create a real competition between our teams & competitor

## ► OUR VISION

**1**

-That Arch Builders achieve an advanced position characterized by excellence in the field of contracting and implementation of various projects in public and private sectors in Egypt, bearing in mind the effective contribution to the vision of Egypt (2030), which seeks to apply environmentally friendly technology and alternative energy and implement smart ideas with the participation of successful companies,

**2**

- Providing services with the highest professional quality & achieve the client's satisfaction of these projects where quality comes on top of our team's priorities.

**3**

- Cooperation with official agencies to support employment of qualified people to work in the field of contracting.

## ► OUR MISSION

We believe that the best way to build is by building relationships. That's why we take every opportunity to get to know our clients, and their vision for their space. We're committed to delivering exceptional service and quality work, but it doesn't stop there. We want you to be part of our community, too. So We believe in *Your Vision Is Our Mission*
